Making Homes Affordable

One of our priorities is to provide affordable housing for local people. These are the figures for 2006 and, with our partners, we will be building many more this year.

In addition we are one of the only councils in the country who have built our own Council houses.

52 additional rented homes in 2006:

Donington	14
Gosberton	2
Long Sutton	2
Spalding	28
West Pinchbeck	6

28 additional homes for low cost ownership in 2006:

Donington	1
Long Sutton	7

Sutton St James	8

Further information on low cost home ownership is in our Housing Advice Leaflet 7 (telephone 01775 761161) and at: www.sholland.gov.uk/housing

How Clean is Their Kitchen?

The Food Hygiene Rating scheme, the 'Blue Tulip' awards, has celebrated its first birthday. This scheme has been positively received by businesses and the general public and to date a total of 322 food businesses have been inspected, with the vast majority achieving a number of blue tulips.

All food businesses receive an unannounced inspection and are assessed on standards of hygiene and structure - not on the quality of food produced.

For a full A to Z list please visit: www.eatsafetonight.com

Now is the time to start planning things to do and here are just a few ideas on what South Holland has to offer...

SPALDING FLOWER PARADE SATURDAY 5 MAY 2007

The 49th Spalding Flower Parade with the theme of "Planet Earth" will be held on Saturday 5 May 2007.

The Parade will include marching bands, speciality acts and live musical

performances which will take place on five mobile stages. Additionally, over 300 children from local schools will take part in the Parade Carnival.

The Parade will leave the Springfields Festival Site at 2.00pm and will end in the Sir Halley Stewart Field.

There will be stalls and entertainment at the Sir Halley Stewart Field before the Parade arrives, and on the Bank Holiday Monday there will be a free Mayfayres celebration with traditional maypole music and dancing.

Many of the floats will return to Springfields on Saturday evening and remain on display on the Sunday and Monday giving the opportunity to get a close-up view of the work that goes into decorating the floats. There is an entry charge to the Festival Site and half of the gate receipts go towards helping fund the costs of putting on the Parade.

Focus on Dance at The South Holland Centre

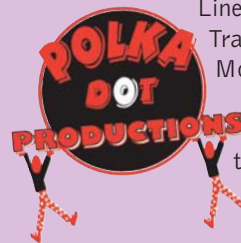

One of the developments at the South Holland Centre in the past couple of years has been the expansion of that most enjoyable of art-forms - dance!

Enthusiastic local audiences have been inspired by beautiful, physical and at times astounding choreography and dance movement from national companies such as RJC, Tavaziva, Independent Ballet Wales and Barebones Dance. Most of these companies have also worked in South Holland schools or offered fascinating pre or post show talks alongside their performances.

But the Centre is also busy promoting the many benefits of taking part in dance yourself! The number of regular classes on offer is growing and now some 150 people a week are part of groups who get creative through dance. And don't forget those great side-effects - increased fitness, flexibility and co-ordination, and of course having a lot of fun!

Just about all age groups are catered for:

- Teeny Bop - for pre-schoolers and their carers (Wednesdays)
- Dance Essential Junior - for 8 to 11 year olds (Wednesdays)
- Dance Essential Senior - for 12 to 18 year olds (Wednesdays)
- West End Dance - for adults (Tuesdays)
- Rhythms of Dance - for over 50s (moving to Mondays after Easter)

Line Dancing classes run by Tracey Vowels are a regular feature of Monday evenings, and dance is also an important part of Polka Dot Productions youth theatre sessions at the Centre on Mondays and Tuesdays.

Recycling Changes

From week commencing **2nd April 2007:**

- **ALL** collections (refuse and recycling) will start from **7.00am**.
- the blue box collection service as we know it will end.
- you'll put your glass bottles/jars with other weekly recycling.

Please remember:

Make sure all **GLASS** is mixed in with your recycling. If you put glass out separately it causes problems with the recycling vehicles.

NO BROKEN GLASS in either the recycling or refuse container, please. Take it to your nearest 'bring site' or household waste recycling centre.

If you leave out refuse or recycling which is **NOT COLLECTABLE** for any reason, we will leave a sticker on it telling you why.

EXTRA RECYCLING?

Please use carrier bags, cardboard boxes.

No need to separate your recycling. The Centre will do this for us.

DO NOT USE BLACK BAGS FOR YOUR RECYCLING. We will not take them.

I currently have:	From week commencing April 2nd:	I currently have:	From week commencing April 2nd:

Recycling Sacks

* Subject to final Council approval, recycling sacks will be delivered to every household over a 6 month period (with your normal black bag delivery) to use instead of the green and blue boxes. As soon as you receive these bags please start to use them.

Using bags will result in a more efficient collection service which means more properties can be included on the scheme to be collected by existing crews.

DO NOT USE CLEAR RECYCLING SACKS FOR REFUSE.
