

Welcome to the Garden Waste Collection Scheme

Thank you for subscribing to our garden waste collection scheme.

You will receive a wheeled bin within ten working days of a successful application and can start using it straight away.

Your collection day (and week) is detailed in your receipt of payment and on the lid of your bin

We will empty the bin every other week with the exception of the Christmas / New Year period. For all collection days please see the calendar over the page.

What can go in the brown bin?

- General Garden Waste
- Grass cuttings
- Tree and shrub cuttings
- Small branches
- Shrubs
- Leaves
- Flowers
- Weeds
- Prunings
- Roots
- Hedge trimmings

No other materials will be accepted and should not be placed in the bin

Please Remember

The bin needs to be presented by 7.00am on collection day and no earlier than the night before.

☀ The bin should be retrieved as soon as possible after it is emptied and returned to within your property.

☀ Please note that the time of day the bin is collected may vary from week to week.

☀ Do not overload the bin as we will not be able to empty it.

☀ Ensure the bin lid is closed.

☀ Small branches and twigs can go in the bin but nothing over 2" / 50mm in diameter.

☀ Only material in the bin will be collected so please do not leave any additional containers of materials.

☀ If wrong materials are put in the bin, the bin will be stickered asking you to remove the unacceptable items. The bin will then be emptied on the next scheduled collection day.
