1. Joint tenants

If you're a joint tenant, and you give notice, the whole tenancy will end. The other tenant won't automatically be allowed to stay. If one tenant wishes to remain in the property, do not complete this form until you have spoken to your Housing Officer.

2. Information for executors/administrators following the death of a sole tenant

We understand this is a difficult time - if you have any queries regarding this process, please contact the Housing Services Team on 01775 761161.

If family members lived with the tenant when they died, they may be entitled to inherit/succeed the tenancy. Please contact us if you think someone may be able to succeed to the tenancy

The Council can only issue a set of keys to the Executor or Administrator of the estate. Only the executor (person given authority in the tenant's will to deal with their affairs) or the administrator (person who has been given Grant of Probate for the tenant) can legally end the tenancy. If there is no executor or administrator, South Holland District Council will serve notice to quit on the Public Trustee to legally end the tenancy.

Rent will continue to be charged until the tenancy has ended and the keys to the property have been returned – four weeks notice is still required. Housing Benefit or Universal Credit payments will stop the Sunday following the death of the tenant. Any arrears should be paid from the deceased tenant's estate. If there is no estate for an arrears balance to be paid from, the representative will need to make a declaration that there are no funds available. If there is a credit on the rent account, a form will need to be completed representative of the estate.

3. Moving out

Before you leave the property, you should:

- Make sure the property is clean and tidy, with no damage. The property should be left in good decorative order and all fixtures and fittings should be left in good working order. You will be charged if we need to carry out repairs because of you altering, damaging or neglecting the property.
- Remove all rubbish, furniture and possessions from your home, loft, garden and outbuildings. You can book a 'bulky waste collection' through the Council if you need to get rid of any large item. You will be charged if we need to remove any belongings or rubbish from your property.
- Leave gas and electric meter keys, and window keys on the kitchen worktop
- Pay any outstanding rent and other charges – your Housing Officer will advise you of this amount
- Make sure everyone in the property has moved out – this includes animals
- Tell council tax that you're moving
- If you need to, let Housing Benefit or Universal Credit know that you're moving.
- Provide your forwarding address to agencies including utility companies, doctors surgery, schools, bank/building society, insurance company, DVLA, HM Revenue and Customs (HMRC). You can redirect your mail through the Post Office.

4. Handing in the keys

Please label all keys with your name and address, and return the keys to the Council offices, Priory Road, Spalding by 12 noon on the Monday after your tenancy has ended. If you don't hand the keys in by 12 noon, you will be charged extra rent payments, and the costs for us to change the locks.
